Legal Notices

Columbia, March 13, 1915.
Mr. Winston Smith, County Auditor,
Anderson, S. C.

Dear Sir: The State tax commission of the State of South Carolina has sent me the following communication relative to the enforcement of the income tax law:

"The time for making returns under the income tax law of this State expired on the 20th of February last, and a very large number of persons liable to the payment of the tax omitted to make such returns within the time limited.

"The neglect to make the returns in time may have been caused by an erroneous impression that the returns and payment of the income tax to the federal government relieved these tax payers from paying the income tax imposed by the laws of this State.

"The failure to make returns within time has been so general and widespread that we think further opportunity should be allowed such persons to make these returns before

the penalties provided by law are imposed upon them."

In order, therefore, to save such persons who will now come forward and make the proper returns, I, Carlton W. Sawyer, under, and by virtue of power conferred upon the comptroller general, with the approval of the governor, in Section 767 of Volume 1, Code of Laws of South Carolina, 1912, do hereby extend the time for the making of returns and assessment of income taxes without penalty until the first day of July, A. D. 1915. You will govern yourself accordingly.

CARLTON W. SAWYER,
Comptroller General.

Approved,
RICHARD I. MANNING,
Governor.

NOTICE—AS TO COMMUTATION ROAD TAX

All persons liable to road tax for 1915 are hereby notified that the time for payment to the county treasurer of said taxes will expire on the 1st day of May, 1915. After that date a penalty will be attached.
J. MACK KING,
Supervisor.

SMALL INVESTORS FLOAT WAR LOANS

Over Two Million Germans Subscribe to Fund to Finance War.

Berlin, May 6.—The great loan just brought out by the German government called out the small capitalist in numbers never heretofore heard of in the flotation of a public loan. When over 926,000 Germans offered subscriptions of 2,000 marks (\$476) and less for the September loan, this was regarded as especially eloquent testimony to the patriotic enthusiasm of the great masses of the German people. But the March loan has a far more remarkable participation of the small capitalists. Not less than 2,113,220 subscribers to it are taking amounts of \$476 and less, and 452,000 of these made subscriptions of \$48 or under. The total number of subscribers to the loan was 2,691,060; and as the total amount of money subscribed was \$2,157,000,000, the average subscription was \$801.

AUSTRIAN EMPEROR IS IN GOOD HEALTH

Work and Worry Caused by War Have Not Affected Aged Ruler.

Vienna, May 6.—Notwithstanding the labor and ceaseless anxieties caused by the war, Emperor Francis Joseph is said to be in better health and physical condition than for years past. He has gone through a trying winter without the least trace of a cough or cold, and his activity and enormous capacity for work astonish his ministers, and others brought in contact with him.

Rising every morning very soon after 4 o'clock, the monarch, now in his 85th year, devotes practically the entire day to the affairs of state; examining and signing papers, or receiving high military officers who bring him the latest and fullest news from the seat of war; and cabinet ministers coming for instructions on matters of foreign or domestic policy.

The intervals for rest during the day are very short. Only meals and a walk in the private garden, adjoining the apartments in the castle of Schoenbrunn, will draw the emperor from his desk. His appetite is excellent, and for the first time in some years he is showing an interest in the menu and frequently orders special dishes.

Much to his disappointment, the court physician has ordered him to stop his visits to the wounded soldiers in the Vienna hospitals. But there was always the danger of the venerable ruler getting into a draught, or being overtaken by a shower and so it was deemed best to confine his outdoor goings to walking in the Kammergarten.

CONCORD SCHOOL CLOSING Session Ended Friday and Entertainment Was Given Saturday.

The school at Concord closed last Friday, and on Saturday night, May 1st, an entertainment was given by the school which was very much enjoyed by the large number of people present.

The following program was very successfully carried out:
Song—"Vacation Days."—By the school.

Recitation—"Welcome"—By Little Mary Griffin.

Dialogue—"Arthur's Bravery."

Recitation—"Which One Was Kept."—By Master Frank Griffin.

Recitation—"Mr. Brown Has His Hair Cut."—By Master George King.

Play—"Not a Man in the House."

Dialogue—"Mrs. Brown's Visitors."

Recitation—"The Current of Life."—By Miss Robbie Shirley.

Dialogue—"Sue's Bean."

Recitation—"By Miss Sylvene King."

Play—"The School Ma'am."

Dialogue—"Lucinda's Mistake."

Address—"By Hon. J. B. Felton."

Song—"Good-bye."—By school.

Music was furnished by Messrs. Clayton Shirley and Zera Simpson on violins, with Mrs. Zera Simpson at the organ.

The manner in which this interesting program was rendered reflects much credit on both teachers and pupils. The address by the county superintendent of education, though short was both interesting and instructive and added much to the occasion.

The music was splendid. Such music is indeed a rare treat and was thoroughly enjoyed by the audience. This school was taught by Mrs. J. R. C. Griffin, who by her energetic manner and skill as a teacher, combined with the co-operative spirit of the community, made this a very successful year for the school.

Appreciation of Mrs. Griffin's faithful work was shown by the fact that she was unanimously elected to teach the school during the term of 1915-16.

BEAVERS BECOMING EXTINCT IN GERMAN PROVINCES

Berlin, May 6.—The beaver is making his last stand on German soil, and the Prussian government has decided to come to his assistance. There are now only 12 or 15 of the animals left, although they were formerly very abundant in Germany. This saving remnant lives on an old abandoned bend of the River Elbe, now a kind of isle, near Magdeburg. Animal lovers have long been gravely concerned for their fate, and have been bestirring themselves to have protective measures taken.
